VOLUNTEER & STAFF SCREENING THAT WORKS FOR YOUR ORGANIZATION

Effective volunteer management has become a necessity in today's nonprofit world. Choosing the right partner can be the difference between providing a safe and secure environment for those you serve, as well as for those who give selflessly to your organization, and allowing undesirable elements to tarnish your organization's valuable reputation within your community.

Coeus Global has partnered with the National Council of Nonprofits to provide all the expertise you need to establish a "best in class" custom screening program designed specifically to meet your organization's unique needs. See why Coeus Global is the known nationwide as the **"TITAN of Screening Intelligence"**.

Our customized system will allow your organization, locally or nationally, to effectively conduct screenings and track volunteer and staff applicants quickly and easily. Our nationwide network allows us to offer national discount pricing to nonprofits of all sizes. Whether you are a single entity or a nationwide network of affiliated units, Coeus Global can provide you with the highest quality services at the lowest price points in the nation. Let us show you the path to improved volunteer selection and organizational protection using our Volunteer Management System TODAY!

VMS – Our Nationally Recognized Volunteer Management System

Recruit, Track & Screen Volunteers & Staff with the following **NO-COST** services

✓ No-cost Risk Management Consulting

Risk management is more than just background screening. Let us work with your team to develop a “Best in Class” risk management program!

✓ No-Cost Compliance Consulting

Why pay consulting fees in order to keep your program fully compliant with Federal & State regulations?

✓ Easiest to use System Available

Fully **COLOR CODED** results viewing to visually display candidate status

✓ Lowest Nonprofit Pricing in the USA

Realize significant savings through our nationwide partnership status as the **Official Background Screening Partner of the National Council of Nonprofits**

✓ Patent-Pending Volunteer Donation Option

Multiple payment options include direct to organization (headquarters, unit or region), volunteer pay and our Patent-Pending Volunteer Donation Option

✓ Complete Document Management System

Upload ANY candidate document or fax documents in using our exclusive candidate bar-code system. Keep important documents with sensitive information conveniently connected to each candidate’s background check

✓ Paperless Disclosure & Authorization Process

Candidates electronically sign their name using their computer mouse in the same way they would sign using a debit card. Complete, signed form is connected to their background check record for safe storage and easy access

✓ Custom Designed Candidate Order Portal

Every client receives a custom branded web-order page allowing candidates to enter order information quickly and securely, saving you valuable time!

✓ Nationwide Drug Screening with Paperless C.O.C.

No forms required to initiate drug screening. Just have your candidate visit the collections site and their information is there waiting and ready.

✓ FREE Credentify Job Board

Post positions, accept and review resumes, screen candidates and manage your volunteers and staff at the click of a button. Fully integrated with our Volunteer Management System (VMS) to offer an end to end tracking solution
